Meridian Mutual Insurance Group

Fiscal Year 2026 Annual Operating Report — Full Edition

Fictional data generated for RAG practice. Any resemblance to real entities is coincidental.

Meridian Mutual Insurance Group is a fictional mid-sized carrier offering personal auto, homeowners, commercial property, term life, and health supplemental products across five U.S. regions. This report covers financial performance, monthly regional operations, the agent network, the policy register, the full claims log, and reinsurance arrangements for fiscal year 2026 (January 1 to December 31). All dollar figures are in USD millions unless stated otherwise.

Contents

Merged column groups in header.

Part 9. Glossary

Term	Definition
Combined ratio	Loss ratio plus expense ratio; below 100% indicates an underwriting profit.
Loss ratio	Incurred losses and LAE divided by earned premium.
LAE	Loss adjustment expense: the cost of investigating and settling claims.
Rate on line	Reinsurance premium divided by the limit of the layer.
Retention	The amount of loss the insurer keeps before reinsurance responds.
SIU	Special Investigations Unit, which reviews suspected fraud.
Subrogation	Recovering claim payments from a responsible third party.
Net Promoter Score	Customer loyalty metric from -100 to 100.
